2. Currently, Fast Passes are FREE and anyone can use them. You do not have to stay on WDW property to use Fast Passes.
3. With a WDW resort reservation, you can make Fast Pass reservations 60 days out from your reservation start date.
4. You can make Fast Pass reservations online, from kiosks in the park, or most commonly, within the My Disney Experience App.
5. You can make up to 3 Fast Pass per day in advance of your trip. [All 3 must be within the same park.]
6. Fast Pass times cannot overlap.
7. When you have a Fast Pass for an attraction, you get a 1 hour time slot to use it. You can board your ride 5 minutes early or up to 15 minutes late.
